Vision

Our vision is to provide a safe workplace to our employees by creating a culture that rewards performance and innovation. And to have a positive impact on the communities in which we work,.

Mission

Our mission is to provide our customers with exceptional service, quality equipment and supplies, professional training and assistance, and information technologies that help them succeed. We are dedicated to giving our customers the widest range of choices, backed up by our commitment to exceptional service.

Safety Policy

Zenith East gives vital importance to employee's health and safety. Protecting employees from injury or occupational disease is a major continuing objective. **FHG** will make every effort to provide a safe, healthy work environment. Employees at every level, including management, are responsible for the company's overall safety initiatives. An injury and accident-free workplace is our goal. Through continuous safety and loss control, we can accomplish this.

The company will employ an effective accident and illness prevention program that involves all its employees in the effort to eliminate workplace hazards. All employees are expected and encouraged to participate in safety and health program activities including the following:

- reporting hazards, unsafe work practices and accidents immediately to their supervisors or a safety committee representative;
- wearing required personal protective equipment;
- Participating in and supporting safety committee activities.

Quality Policy

Zenith East goal is to be the preferred business partner for our customers by providing exceptional product quality and services. For our employees quality comes first. We assure our commitment by effectively developing all employees' talent and competence. We are committed to continually improve our customer satisfaction through appropriate initiatives, control, provision of resources and training and involvement of employees. The aim is to agree customer requirement and to minimise the occurrence of defects in all activities, products and services.
